- 1 Form A (7:27)
- 2 Form B (5:37)
- 3 Form C (3:57)
- 4 Form D (4:33)
- 5 Form A' (6:28)
- 6 Form B' (3:35)
- 7 Form C' (3:04)
- 8 Form D' (6:45)

Form is an exploration of a materially constrained sound source through the lens of the primary elements of formal order. Mirrored in isotopic halves, the work encourages a contemplation of its inbuilt formal relations by navigating a compound of opposing polarities towards an overall equilibrium.

Form is the full-length album premiere by Wellington-based electronic musician **mHz** and will be released digitally and as a limited SD Card edition.

Form

mHz

Form is an exploration of a materially constrained sound source through the lens of the primary elements of formal order: unity, variety and harmony. The raw material in this series is created through a single generative engine comprised of eight identical oscillators. Throughout the album, this material is reconfigured using distinct compositional strategies involving varying degrees of control, freedom, chance and will.

Using specific timbral and temporal modalities, the series portrays its material origin in contrasting configurations. At the same time, the similarities between these modal variations are mirrored in isotopic halves that coalesce into a connected whole. In this sense, the work encourages a contemplation of its inbuilt formal relations by navigating a compound of opposing polarities towards an overall equilibrium, where unity and variety are constantly interchanged in a harmonious gestalt.

Artist

Mo H. Zareei aka **mHz** is an Iranian electronic musician, sound artist and researcher, based in Wellington / New Zealand. Using custom-built software and hardware, his experiments with sound cover a wide range from electronic compositions to kinetic sound-sculptures and audiovisual installations.
